Dear Mr. Segessore:

The Puerto Rican Educators Association is a nonprofit organization which is desirous to provide educational and community services to students and parents in the Greater Newark area.

As you may know, we have a need to have a site, preferably in municipal owned property, for meetings/training Center. We prefer a building which could be made habitable at a reasonable cost. By this letter we are requesting that you review your inventory and contact this office at 483-1454, for a meeting to discuss this matter.

We are anticipating your favorable response. Awaiting your reply, we remain
